June 02<sup>nd</sup> 2018 is a free day for all ages to come and see the passion that the Pitt Meadows Airport, residents and the aviation world have.

The runways will remain active as we want you to experience an airport in operation. So fly an aircraft in and show it off or hang out and watch some aerial performers!

To keep this amazing day going each year we rely heavily on sponsorship which helps keep the event free for our communities. We highly encourage both the aviation industry and the general business community to become a Sponsor and/or Exhibitor and join us for another fantastic year!
