

# Airport Enhancement Projects

Wednesday, July 03, 2019

Volume 1, Issue 10

## Main Apron 1 Rehabilitation Project Completed

- The Main Apron 1 Rehabilitation Project has been completed!
- With the completion of this project it will help mitigate overcrowding on the main apron and provide a safe aircraft ground maneuvering environment during peak hours of operation.

If you have any questions or are in need of an aircraft tie-down on Apron 1 please contact Derek Brown, YPK Administration Coordinator, at [dbrown@flyypk.ca](mailto:dbrown@flyypk.ca)

Full project details included:

- The installation of overhead ramp lights
- Crack sealing pavement repair
- Complete asphalt resurfacing on Apron 1
- Corrective line marking
- Apron taxiway widening and re-allocation
- The widening of aircraft parking stalls / helicopter landing areas

This bulletin is distributed by the **Pitt Meadows Airport Society** and designed keep tenants/public updated on airport enhancement projects as they happen. Question/comments or contributions are welcome. Please contact Airport Administration.
