Volume 1, Issue 01

NEW JET FUEL TANK AT YPK

- YPK is excited to announce the installation of a new 50,000 L jet fuel tank that will be a great benefit to the airport and increase our overall jet fuel capacity.
- The fuel tank is located airside on apron 1 between Northern Rockies Lodge and Maxcraft Avionics next to the used oil disposal tank.

If you have any questions or comments please contact Derek Brown, YPK Administration Coordinator, at dbrown@flyypk.ca

This bulletin is distributed by the **Pitt Meadows Airport Society** and designed keep tenants/public updated on airport enhancement projects as they happen. Question/comments or contributions are welcome. Please contact Airport Administration.
